Silver Sets & Tea Pots

We have contracted with D.W. Haber & Sons to supply us with our silver service items. D.W. Haber & Sons has been in business for over 85 years with experience passed on for four generations. Their silver pieces are truly food service grade - with all bases, handles, spouts, hinges and legs either silver soldered, argon welded or riveted. You'll find this silverware beautiful as well as practically indestructible! Pricing available per silver piece.

Yama glass tea pots are elegant and practical. The Glass tea pot allows you to visually see the tea leaf steep and comes with a built-in infuser for easy steeping. The glass warming base comes complete with candle.
